The image shows a mobile application interface for a social media or forum-like platform. The top navigation bar includes a back arrow, the title "Open Court -> Post#12", a search bar with placeholder text "Search Post?", and a notification bell icon.

The left sidebar contains user profile information for "Bob Myself" (bob@sportcred.com) and links to "Zone / Open Court", "Picks", "Trivia", "Analyze&Debate", and "Settings".

The main content area displays a post by "Bob Myself" titled "Title" (APP/User Generated). The post has a description and was posted on December 20, 2020, with 2k likes and 98 dislikes. The post content consists of a large number of repeated words like "Agree" and "Agreee".

Below the post is a reply from "Bob Myself" dated December 20, 2020, which also contains a long string of "Agree" and "Agreee" characters. A "Reply" button is available for this comment.

Two additional replies are shown on the right, each containing a similar string of "Agree" and "Agreee" characters. These replies have "Edit" buttons above them. The bottom reply is a placeholder stating "I am replying to a comment." with a "Reply" button.

At the bottom of the screen is a "Toggle sidebar" button.

# Picks and Predictions Page

## Pick&Predictions List Page

Screenshot of the Pick&Predictions List Page. The sidebar on the left shows user profile (Bob Myself), navigation links (Zone / Open Court, Picks, Trivia, Analyze&Debate, Settings), and a toggle sidebar button. The main area displays a list of four game predictions for the Conference Finals at 2020 Sept 20, 11:30. Each prediction card shows the Miami Heat logo, the Boston Celtics logo, and a description field. The first three cards have a timestamp of 2020 Sept 20, 3:30, 5:30, and 6:30 respectively. The fourth card has a timestamp of 2020 Sept 20, 11:30 and is labeled "Conference Final". A cursor icon is positioned over the fourth card.

## Single Pick&Prediction Page

Screenshot of the Single Pick&Prediction Page for the Conference Finals at 2020 Sept 20, 11:30. The sidebar on the left is identical to the List Page. The main area shows two side-by-side player lists for the Heat and Celtics. The Heat list contains 9 players, and the Celtics list contains 9 players. Each player row includes a profile picture, name, score (6000), position (Alternate, Front, Back), status (Normal, Foul, Online), and three circular selection inputs. The Celtics list includes a "Celtics win" button with a checked checkbox and a "Submit" button. A large downward arrow points from the List Page screenshot to this page.

# Debate Page

The diagram illustrates the user flow from the Debate List to the Create a Debate page. On the left, the Debate List shows a list of debates with titles like "Title", "description", and "End in 3 hrs". A large arrow points from the Debate List to the right, leading to the "Create a Debate" page. The "Create a Debate" page features a "My Title" field containing "My Statement, My Statement", a "Preview" section showing the same content, and a summary at the bottom indicating "December 20, 2020" and "ACS: Pending".

## Single Debate Page

This screenshot shows a single debate post by Bob Fields. The post includes a title, description, and author information. Below the post, there is a reply from Anna Myself, which is highlighted with a green background. The reply contains several instances of the word "Agree". At the bottom, there are engagement metrics: 12 likes, 8 dislikes, and 20 comments.

## Single Debate Reply

This screenshot shows a reply to a comment on the debate post. The reply is displayed in a box with a blue border and contains a long string of the word "Agree". It includes a timestamp of "December 20, 2020" and a "Reply" button. The "Comment Type" is set to "Agree".

The diagram shows the process of generating a reply. It starts with a reply on the "Single Debate Reply" page, which is then processed by a system to produce a generated reply. This generated reply is shown in a separate box with a blue border, featuring a timestamp of "December 20, 2020" and a "Reply" button. The "Comment Type" is listed as "APP/User Generated".
